

SIMPLE SIMPSON

Simple Simpson found a murder
Case in public eye,
Find the murderer? Oh how easy!
Need not even try.

"Give a guess," says Simple Simpson,
"Throw the guessed in jail;"
Question hundreds, sift the answers,
Fix a fancy tale.

Make each witness sign a statement,
Charged to suit the "frame;"
What if witness balks at lying,
Perjurers play this game.

Search the prisons, army barracks,
Try the "nuts" retreat;
Perseverance, e'er rewarded,
Truth itself may beat.

Simple Simpson, ever onward,
Reap your sure reward,
Daily advertising, glory,
Democrats are awed.

Simple Simpson, in so deeply
Know you can't get out,
(Quicksand swallows many foolish
Floundering about).

Truth if crushed shall rise in honor
Terrifying, strong -
Blazing clean the smutty pathway,
Simpson's witness throng.
